

BUSINESS INTELLIGENCE, RISK MANAGEMENT & SECURITY SERVICES

Specialist K9 Security & Detection Services

Subrosa Group's SRG Security division are nationwide specialists in providing trained and accredited specialist K9 services; Security, Drug and Explosive Detection dogs and handlers.

Security Dogs and Handlers are deployed for different reasons across many environments, venues and sites e.g. Public Events, Void and Vacant Properties, Construction Sites and the Waste Industry.

Our expert Security Dog Units are trained to NASDU standards and are highly experienced within their field. Security dog handlers hold valid SIA Licenses giving you the complete confidence that our Security Dog Teams are fully trained to deter, prevent and respond to criminal activity.

- NASDU Accredited
- SIA Licensed
- Accredited to BS8517- 1
- Deterring Potential Activity
- Increased Effectiveness
- Cost Effectiveness
- Visual Deterrent
