Testimonial:

"I cannot recommend the amazing team at Subrosa Group enough, they seamlessly swung into action whenever we needed them, and did so with utter professionalism but most of all with a human touch that made the biggest difference.

At every touch, with any part of the business, the service, support and warmth was the same, going above and beyond and seeing the need before we did. The team were our backbone in the organisation and managing of my father's funeral, I say this from the bottom of my heart, we could not have done it without them."

Hannah Ingram-Moore on behalf of her family and late father Captain Sir Tom.
